

SOLA 20-21 SEPTEMBER 2018

SAVE THE DATE

20-21 September 2018

Dear Colleagues,

We cordially invite you to join our breast cancer network meeting at Sola 20-21 September 2018.

The aim of this meeting is to stimulate increased collaboration between the participating research groups. The program is about to be finalized but we already know that prof. Jack Cuzick and Dr. Mangesh Thorat will join us from Queen Mary University in London, UK. Both focus on preventive trials for breast cancer, the IBIS-studies are all well known.

Of course we will have fine weather and possibilities for the traditional musk-ox safari and this time will we guarantee that you will see musk-ox's!

So save the date, more information will follow soon!!!!!!!

Best wishes,

Emiel Janssen, PhD, Patologi, SUS

Bjørnar Gilje, MD/PhD, Onkologi, SUS

Håvard Søyland, MD/PhD, Kirurgi, SUS

Siri Fagerheim, MD, Radiologi, SUS
